a unique biblical and practical approach to uncluttering our internal thoughts and feelings we all want our lives to change for the better to become the healthiest versions of ourselves in spirit soul and body yet we still struggle author trina mcneilly looking for order in her own life embarked on an inward journey to the home of her heart and soul to find healing and health from the inside out unclutter your soul is for all of us who are cluttered and overwhelmed with loss fear chronic stress unhealthy coping mechanisms crippling depression or anxiety with the holy spirit as our guide trina says we can learn to observe acknowledge the clutter own make space for a healthy internal environment and overcome take action with tools for living clutter free from the inside out each chapter in these three sections is written as an essay and concludes with practical and soulful tips as well as prompts to put them into action with discussion questions and a prayer guide unclutter your soul is the ultimate resource for finding freedom in our everyday lives by releasing limited mindsets and creating more space for peace and joy

this short book outlines the basic process i use when i am writing and publishing a new book i use a combination of markdown and conversion with pandoc to create the files i need to publish on any platform i want to if you have just started writing a book and you know what you are writing but you don t know what software you should be using this is a great book for you there are other books that cover markdown in more detail but this book covers how to include headings italics bold links images and how to convert your file into other formats using pandoc from there it is possible to publish what you have written as a book or a website i made this book for my friends who know i have published many books but have questions about the process it is easier than you might think but a book like this was not available back when i got started nor did i know what markdown was back then i could have saved so much time using markdown to define my chapters and other

elements of my book my hope is that this book will also save you time as you adapt my methods to what works for you

marvin s grandmother devises a plan to save marvin from being messy
